DETAILED ACTION

Allowable Subject Matter

1. Claims 1-10 are allowed over the prior art of record. The following is an examiner's statement of reasons for allowance: The combination of the prior art of record fail to specifically disclose the particular combination of the claimed steps. Furthermore, it would have not been obvious to one of ordinary skill in the art at the time of invention to modify the prior art of record in order to arrive at the claimed invention. Therefore, claims 1-10 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
